COLOUR LABEL PRINTING SOLUTIONS

The Epson TM-C3400 label printer series brings high-quality colour and on-demand versatility to labels, tags and tickets.

Fast, reliable and easy-to-use, it prints on a huge range of uncoated or matte and glossy coated media, keeps costs down and gives you long-lasting results that make your important information really stand out. Whether tracking products, attracting customers or matching patients to medications, the Epson TM-C3400 Series delivers exactly what you need when you need it.

Here is a list of the media that we offer:

PREMIUM MATTE LABEL

Premium matte coated inkjet labels for high-quality photo standard printing with pigmented inks.

The smooth, bright white surface with a matte finish, in combination with Epson DURABrite Ultra pigment inks, ensures fast drying, scratch, water and heat resistance.

The universal permanent acrylic adhesive enables trouble-free performance and good adhesion on variety of surfaces and at low temperatures.

PREMIUM MATTE TICKET

Premium matte coated inkjet paper, optimised for printing high-quality graphics and photos with pigmented inks.

With a thickness of 127µm, it is ideal for use in ticketing and signage applications.

The smooth, bright white surface with a matte finish, in combination with Epson DURABrite Ultra pigment inks, ensures fast drying, scratch, water and heat resistant printouts.

COLOUR LABEL PRINTING SOLUTIONS

Transforming colour on-demand label printing for manufacturing, healthcare, retail and ticketing

TM-C3400_SWITCHBOOK_1EN_GB_03/13

* Ink and media costs are estimates, based on continuous printing tests by Epson at the default resolution of TM-C3400 Series printers (360×360dpi) under normal office temperature and humidity, using the Epson FRP price (excluding VAT) of ink and media. Actual costs will vary depending on images printed and usage conditions.
