

16th, 17th, 18th June

Epson Innovation Centre (Nippon Express)
Lutterworth, Leicester, LE17 4HW

EPSON®

You're invited by Epson
and Fiery to meet the
manufacturer and explore
what's possible.

THINK BIG.
PRINT BIG.

At Epson and Fiery we're big on offering more. More cutting-edge software to enhance your productivity, more profit-boosting print revenue streams and more ways to help your business vividly stand out. That's why we'd love to invite you along to one of our Think Big, Print Big open days.

Along with live demonstrations of the Epson and Fiery product portfolio, these open days provide the perfect chance to speak directly to specialists in large format, textile & label printing.

IT PAYS TO GO BIG

Unlock new opportunities with garment printing, labels, interior décor, signage, large-scale graphics and so much more

Put our printers to the test and see the results first-hand

Expand your precision colour output and discover new substrate technologies

Discover how to reduce your touchpoints and drive operator efficiencies

Tailored advice on how to control costs and elevate your brand

All attendees will be entered into a prize draw to win an Epson home cinema projector. T&Cs apply, available at the event

So if you're looking for profitable inspiration or to expand into new markets in style, make it happen by registering at www.epson.co.uk/ThinkBigPrintBig
