

Home and Office printers

Choose the perfect printer

EPSON®

Expression series

For printing documents and photos at home

Whether you'd like to print crisp documents or high-quality photographs, we'll help you find the best printer with our Expression range. It includes compact, cost-effective multifunction printers with wireless and A3 printing options.

Expression Home series

Compact and stylish 4-colour multifunction printers for general document and photo printing at home. The range features Wi-Fi, double-sided printing and cost-effective individual inks.

Expression Premium series

Get the best of both worlds with these versatile and compact 5-colour multifunction printers for high-quality document and photo printing. The range features twin paper trays and an automatic document feeder.

Expression Photo series

Superior 6-colour, versatile and compact multifunction printers for photo enthusiasts featuring a large touch-screen and rear specialty media feed.

For professional looking documents, ideal for small and home offices

The feature-packed range of WorkForce business inkjet printers bring quality, speed and value to any small or home office. These printers are the professional choice due to their reliability, speed and solid build.

WorkForce series

Home office users should look no further than this range of compact multifunction printers for an affordable way to experience the benefits of inkjets for bigger businesses. WorkForce improves day-to-day efficiency with reliable operation and quality results.

WorkForce Pro series

Get the best of business quality printing with these multifunction printers designed to print high quality documents. Print, scan, copy and fax faster with the automatic document feeder.

WorkForce A3 series

Designed to meet the demands of more specialist business print requirements. The WorkForce A3 features double-sided A3 print functionality and can scan, copy and fax double-sided A3 documents using ADF. All with the speed, reliability and quality businesses have come to expect from WorkForce.

EcoTank series

Say goodbye to cartridges.

Say goodbye to cartridges and say hello to ultra-low-cost printing with the EcoTank series. With high yield ink bottles, you can go longer before you need to refill the tanks.

Ultra-low-cost printing

Our innovative EcoTank range delivers an unbeatable cost-per-page saving you 95% on printing costs¹⁰. The perfect solution for busy homes, home offices and small businesses, they come with ultra-high-capacity refillable ink tanks allowing you to print thousands of pages without the hassle of replacement ink cartridges.

Ink bottles

With up to 3 years of ink included in the box¹¹ you can print thousands of pages without the hassle of frequently changing cartridges.

Easy-to-use

The innovative ink bottles feature an airflow system for mess-free refills, and a key-lock design that ensures each tank is filled with the right colour.

Say goodbye to toners.

Say goodbye to toners. EcoTank mono printers offer a high quality, fast and economical alternative to laser printers.

Ultra-low-cost printing

Saving you over 90% on the cost per page⁷, you can take the hassle out of printing with up to 11,000 pages worth of ink included in the box⁸. That's the equivalent of up to 5 toner cartridges on average⁷.

Save time

Printing is fast with no warm-up time, first print out in as little as 6 seconds⁶ and print speeds of up to 20ppm³.

Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95% in power consumption compared to mono laser printers⁹.

Print more. Print faster. Print cheaper.

Our range of EcoTank printers are ideal for small businesses. This range provides ultra-fast printing at an ultra-low cost per page, as well as integrated high-capacity ink tanks that reduce the hassle of replacing cartridges or toners.

Designed for businesses

Look forward to high-quality printing with all pigment inks which are smudge and highlighter resistant. With large touchscreens and wireless connections to smart devices, this EcoTank range has it all.

High-speed versatility

This EcoTank range is perfect for fast paced environments with print speeds of up to 25ipm³, first-page printout in as little as 5½ seconds⁴, ultra-fast double-sided printing and rapid ADF.

Save with lower printing costs

Print over 325 pages in black for just £1.00⁵, making this series a cost effective solution for businesses.

Epson Genuine Inks

Printing is a partnership and Epson have developed inks that ensure your Epson printer delivers crisp, smudge-proof text and vibrant photos that will last for generations.

Expression Home series Ink

Reliable, affordable printing

A versatile, four-colour ink set that's designed to deliver crisp, clear text documents and high-quality photographs. This makes them ideal for everyday printing.

Claria Premium Ink

A no-compromise solution for the modern home

Featuring a five-colour system including a photo black ink, Epson's Claria Premium Ink produces outstanding, glossy photos and crisp, clear text documents.

DURABrite Ultra Ink

Reliable business printing

Print crisp, clear laser-like business documents. Specially designed pigment inks mean prints are water, smudge and highlighter resistant.

Claria Photo HD Ink

Exceptional photos everytime

A proven six-colour solution providing exceptionally high-quality photos on a range of media. Reproduce natural skin tones, smooth gradations and deep blacks. Perfect for keen photographers looking to produce and display superior-quality, long-lasting photographs.

Epson Smart Panel

For families on the go, or for businesses that never stop, the Epson Smart Panel app enables you to control your printer from your smart phone or tablet¹.

You can print, copy and scan documents or photos, set up, monitor and troubleshoot your printer, or just let your creativity flow with a wide range of artistic templates.

Print more. Print faster. Print cheaper.

[illegible]

1. Mobile printing and scanning solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.co.uk/connect 2. For test conditions visit www.epson.eu/testing 3. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing 4. First-Print-Out-Time (FPOT) measurement method: ISO/IEC17629 Office Category Test; paper size A4. A set of Microsoft Word, Microsoft Excel and PDF files (each set containing 4 pages) is continuously printed. Measurement is based on the average time for the first of the four single-sided prints to exit the printer. Measurement starts when the print button is pressed and ends when the first page of the set exits. 5. Number of pages printed is based on the highest cost per page (CPP) of Epson 113 ink bottle ranges. CPP is calculated from the total combined price of cyan, magenta and yellow ink bottles RRP's for colour pages or the black ink bottle RRP's for black pages, divided by the published page yields. RRP correct as of July 2026. 6. First-Print-Out-Time (FPOT) measurement method: ISO/IEC17829 Office Category Test; paper size A4. A set of Microsoft Word, Microsoft Excel and PDF files (each set containing 4 pages) is continuously printed. Measurement is based on the average time for the first of four single-sided prints to exit the printer. Measurement starts when the print button is pressed and ends when the first page of the set exits. 7. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the average yield of Epson EcoTank '110', Epson EcoTank '111' ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 19752 test pattern) of EcoTank '110' and '111' ink bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2024 Shipments, published Q1 2025) used within the 10 best-selling consumer A4 Monochrome Laser devices in Europe (IDC, Quarterly Hardcopy Peripherals Tracker, 2024 Shipments, published Q1 2025). Cost per page calculated by dividing the relevant bottle/cartridge average selling price as tracked by IDC by the yield. 8. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 19752. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower. 9. Based on Epson calculations, the average energy saving compared to the 10 best-selling A4 MFP Mono Laser 1-20 ppm machines in Europe (IDC, Quarterly Hardcopy Peripherals Tracker, Q1 2023 to Q4 2023 shipments, published Q1 2024). Comparison based on the average power when printing/copying. Power consumptions taken from the manufacturers' official specifications. Epson models included: M1100 Series, M2100 Series, M3100 Series. 10. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the average yield of Epson EcoTank '101', '102', '103', '104' ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 24712 test pattern) of EcoTank '101', '102', '103' and '104' ink bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2024 Shipments, published Q1 2025) used within the 40 best-selling consumer A4 Color Inkjet devices in Europe (IDC, Quarterly Hardcopy Peripherals Tracker, 2024 Shipments, published Q1 2025). Cost per page calculated by dividing the relevant bottle/cartridge average selling price as tracked by IDC by the yield. 11. Based on print volume of 100 A4 pages per month and the lowest yield produced from the included set of inks. Excludes photo and business models. 12. AirPrint enables instant wireless printing from iPhone, iPad, iPod touch, and Mac without the need to install drivers or download software. 13. Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit www.epson.co.uk/pageyield 14. Requires NFC and Wi-Fi Direct enabled device with Android OS 4.0 or higher. Requires download of Epson iPrint app from Google Play. 15. For warranty details please check the product page on your local Epson website. 16. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 20102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower. 17. For details relating to savings calculation see www.epson.co.uk/readyprint 18. Applicable models for ReadyPrint Flex: XP-2100/05/50/55, XP-2200/05, XP-3100/05/50/55, XP-3200/05, XP-4100/05/50/55, XP-4200/05, XP-5100/05/50/55, XP-5200/05, WF-2810/20/30/35/40/45/50/70/80/85DWF, WF-2910/30/35/50/60/65DWF, WF-3820/25DWF, WF-4820/25DWF, WF-4830DTWF, WF-3920/25, WF-4920/25, WF-4930, WF-7830/35 /40DTWF. 19. If you print more pages than the monthly plan pages, there is an additional charge. 20. As part of the ReadyPrint MAX plan, an EcoTank printer is provided under the ReadyPrint MAX Terms and Conditions, please see epson.co.uk/readyprint. An EcoTank printer is supplied for the duration of the plan and must be returned at the end date. Information provided by businesses subject to checks. 21. Registration, continuous use of Epson genuine inks and continuous internet connection are required. Extended warranty and free ReadyPrint subscription plan upgrade are subject to joining the Advantage+ programme. New customers only. You can opt in within 30 days from the purchase of your Printer and out of the programme at anytime. Please note that once you have opted out, you cannot register again. When you opt out the extended warranty ends. This will not affect your standard commercial warranty and statutory rights. For more details visit www.epson.co.uk/advantage 22. ReadyPrint Flex is not available in all countries and is subject to the monthly page limit of the plan selected. Charges will apply within the promotional period for each additional page printed in excess of your chosen print plan, unless you upgrade to a higher page plan, where applicable. Overage fees per print plan are available at www.epson.co.uk/readyprint. Only one offer is redeemable per printer. Your chosen ReadyPrint offer cannot be used in conjunction with other ReadyPrint offers and can only be used on plans of 50 pages per month and above. ReadyPrint Flex subscription requires a valid credit/debit card and internet connection to the printer. When your ReadyPrint offer expires, the standard monthly fee of your selected plan will apply unless the subscription is cancelled. For ReadyPrint Flex Terms and Conditions, please visit www.epson.co.uk/readyprint 23. By signing up for Advantage+ you qualify for 35% off the Price on Epson online store (Price) on eligible media (paper) and 20% discount off the Price on single and multipack inks that are compatible with all eligible Advantage+ Printer models. To purchase ink and/or paper at the discounted price, you will need an account on the Epson webstore. This can be accessed at www.epson.co.uk/shop. When registering for the webstore and Advantage+ you will need to use the same email address. Using a different email address will result in the discounts not being available. Your discounted price will be visible on 'Your Basket' page against all applicable ink cartridges and media (paper). Discount is available on a maximum of 3 units per product, per order and cannot be combined with any other discounts.
