The Promoter is not liable for any bank costs incurred relating to any bank transfers of the payment of the Reward. Any bank charges incurred in transferring the Reward will be deducted by your bank from the Reward.

6. REFUND OR RETURN

A purchase is considered final if the Selected Product has not been returned to a retailer for any reason (except where the Selected Product was faulty and is replaced or repaired) within the applicable return period. Where a participant submits a Claim and the purchase subsequently ceases to be final, the participant's entitlement to any Reward is forfeited. In this case, any Reward paid to the participant before the purchase became final will be deemed an undue payment and must be repaid to the Promoter within seven (7) days. If a participant fails to comply with this clause the Promoter is entitled to disqualify the participant from this Promotion and future Promotions run by the Promoter for a period of six months.

7. INSTANT WIN CASH REWARD ALLOCATION

All participants will be allocated a Reward subject to verification.

Before the Promotion Period, the Rewards as set out in clause 5 were randomly ordered, and that order was recorded and cannot be changed without a record. As each participant submits a completed claim form together with photographs as set out in clause 4 the participant will be provisionally allocated the next Reward on the list. When the participant successfully passes verification (as set out in clause 5), the Reward will be released to that participant in accordance with the process set out in clause 4.

If a participant does not successfully pass verification the Reward allocated to that participant will be added at the end of the list of Rewards and will be available to be allocated to a participant.

In the event that there are no remaining Rewards available at the time of submission of a claim by a participant, a new €10 cash reward will be created (in addition to the randomly allocated cash rewards created before the start of the Promotion Period) and the relevant participant will be allocated that €10 cash reward.
