

# Ehdot

## 1. Määritelmät

Näihin ehtoihin liittyvät määritelmät:

”Rekisteröinti” on **EPSON** CoverPlus -rekisteröintisivustossa käytettävä prosessi, jonka avulla syötät ostamasi (tai muutoin saamasi) aktivointinumeron ja teet Epsonin kanssa sopimuksen Epson CoverPlus -palvelutuotteesta näiden ehtojen mukaisesti.

”Voimassaoloaika” on jakso, joka alkaa siitä päivästä, jona tuotteen ensimmäinen loppukäyttäjä on tuotteen ostanut, ja joka jatkuu niin monta vuotta kuin kuvauksessa määritetään. *Voimassaoloaika ei ala EPSON CoverPlus -paketin tai -aktivointikoodin ostosta eikä Epsonin tuotteelle myöntämän kaupallisen vakiotakuun päättymisestä.* Voimassaoloaika saattaa sisältää myös enimmäistulostusmäärän, jolloin asianmukainen CoverPlus-paketti on voimassa joko enimmäistulostusmäärään asti tai niin monta vuotta kuin kuvauksessa määritetään, sen mukaan, kumpi ehto täyttyy ensiksi.

”Tuote” on yksittäinen **EPSON** -tulostin, -skanneri tai muu -laite, jonka malli määritetään kuvauksessa ja jonka sarjanumero annetaan rekisteröinnin yhteydessä, tai palvelun yhteydessä Epsonin toimittama korvaava tuote.

”Palvelu” tarkoittaa CoverPlus-palvelutaso-oppaassa kuvattua palvelua, jota Epson tai sen alihankkija tarjoaa palvelun voimassaoloajan. Tarjottava palvelu korvaa kaikki vakiotakuujaksot tai palvelutasot ja menee niiden edelle.

”Kuvaus” on palvelun keskeisten osien (mukaan luettuna palvelun voimassaoloaika ja tyyppi) määrittäminen, joka koskee rekisteröinnin yhteydessä valittua **EPSON** CoverPlus -palvelutuotetta.

”Epson” tarkoittaa sitä Epson-konsernin yritystä, joka alun perin toimitti ostamasi **EPSON** CoverPlus -paketin tai -aktivointikoodin. Yrityksen nimi ilmoitettiin sinulle rekisteröinnin aikana. Tämän asiakirjan lopussa on luettelo, joka sisältää **EPSON** CoverPlus -palvelusta vastaavat yritykset ja niiden osoitteet.

”**EPSON**” on japanilaisen Seiko Epson Corporationin rekisteröity tavaramerkki.

## 2. Tuote, jota varten CoverPlus-palvelua tarjotaan

Epson tai sen alihankkija tarjoaa tuotteeseen liittyvää palvelua palvelun voimassaoloajan. Palvelua tarjotaan vain kyseistä tuotetta varten.

## 3. Milloin palvelu voidaan ostaa

Jos toisin ei ole ilmoitettu, CoverPlus-takuulaajennukset on ostettava ja rekisteröitävä 60 päivän kuluessa sen Epson-tuotteen asennuksesta, jolle takuu rekisteröidään. CoverPlus-paketin käyttöehtoja sovelletaan tuotteen asennuspäivästä alkaen, ja ne korvaavat kaikki tuotteelle tarjottavat kaupalliset takuut. Kaikki lakisäätöiset takuehdot pysyvät kuitenkin edelleen voimassa.

## 4. Tarjottava palvelu

Epsonin tarjoaman palvelun tyyppin ja palveluntason perustiedot määritetään kuvauksessa. Lisätietoja Epsonin tarjoaman palvelun tyyppistä ja tasosta on liitteenä 1 olevassa CoverPlus-palvelutaso-

oppaassa. Perustietojen (jotka voivat vaihdella **EPSON** CoverPlus -palvelutuotteittain) mukaan palvelu vastaa näissä ehdoissa esitettyä kuvausta.

Kun palvelu suoritetaan, tuote säädetään, korjataan tai vaihdetaan Epsonin oman harkinnan mukaan.

Korjauksilla tuotteelle varmistetaan tyydyttävä toimintakyky, joka vastaa tuotteen ikää ja käyttöä. Korvaavat tuotteet saattavat olla kunnostettuja laitteita.

Jos korvaava tuote toimitetaan, jäljellä oleva voimassaoloaika ja tulostusmäärä siirtyvät korvaavaan tuotteeseen.

**Kuten ennen tuotteiden hankintaa tarkistettavassa CoverPlus-palvelutasojen oppaassa on esitetty, tiettyjen CoverPlus Self Repair -palvelun tuotteiden tapauksessa palvelun käyttö edellyttää**

- internetyhteyden muodostamista tuottelle
- rekisteröintiä EPSON Cloud Solution PORT -palveluun
- korvatun tulostuspään palauttamista Epsonille
- valitun huoltohenkilökunnan osallistumista Epsonin valtuutetun jälleenmyyjän järjestämään koulutukseen.

## 5. Palvelun käyttäminen

Ota yhteyttä paikalliseen Epson-asiakaspalveluun puhelimitse, kun tuote kaipaa korjausta. Ennen pyyntöä on tehtävä suositeltavat omatoimiset tarkistukset Epsonin tukisivuston ohjeiden mukaisesti: [www.epson.fi/support](http://www.epson.fi/support). Sivustossa on myös sen Epson-asiakastukikeskuksen yhteystiedot, johon sinun on otettava yhteyttä.

**CoverPlus-rekisteröinti:** CoverPlus-paketti on rekisteröitävä palvelun käyttöä varten. Tämä voidaan tehdä osoitteessa [www.epson.fi/support](http://www.epson.fi/support) tai ottamalla yhteyttä Epsonin valtuutettuun kumppaniin. Kuten CoverPlus-palvelutasojen oppaassa on esitetty, tiettyjen CoverPlus-palvelun tuotteiden tapauksessa CoverPlus-paketti on myös rekisteröitävä EPSON Cloud Solution PORT -palveluun.

## 6. Velvollisuudet

Jos palvelu edellyttää tuotteeseen liittyvää työskentelyä tuotteen ollessa kytkettynä tietokonejärjestelmään, tietovarastoon tai muuhun laitteistoon, varmista ennen työn sallimista, että olet ottanut varmuuskopiot arkistoista, tiedoista, tiedostoista, käyttöjärjestelmistä, sovellusohjelmista ja muusta järjestelmän tai laitteiston sisällöstä, joka voi vahingoittua vikatilanteessa (yhteisesti "tiedot"). Epson suorittaa palvelujen mukaisen työn vain tällä edellytyksellä.

Tämän tarkoituksena on varmistaa, että jos järjestelmän tai laitteiston sisältöä tuhoutuu tai vioittuu suoraan tai epäsuorasti Epsonin palvelusuorituksen vuoksi, sinulla (ja/tai järjestelmän tai laitteiston omistajilla ja käyttäjillä) on tietojen palauttamiseen tarvittavat kopiot.

## 7. CoverPlus-vakiotakuun rajoitukset

Palvelua tarjotaan vain silloin, kun tuote ei toimi määrittämiään vastaavalla tavalla. **EPSON** CoverPlus -sopimus ja -palvelu eivät kata

- tuotteen asennusta käyttöpaikalla tai tuotetukea
- säännönmukaista huoltoa, puhdistamista tai kulutusosien uusimista (esim. mustepatruunat, lamput) tuotteen käyttöohjeessa kuvatulla tavalla
- sellaisten muiden tuotteiden kalibrointia, jotka voidaan yhdistää tuotteeseen tai käyttää tuotteen kanssa. Epson ei vastaa toimivuudesta, kun tuotetta käytetään muiden laitteiden tai ohjelmistojen kanssa
- vaihto-osia, joita tavallisesti on uusittava tuotteen eliniän aikana (muut kuin kuvaukseen sisältyvät osat), tai tulostimen komponentteja, joiden normaali käyttöikä on päättynyt tavanomaisen kulumisen vuoksi.

Jotkin paketit saattavat sisältää edellä mainitut osat ja ylläpitopalvelut. Tämä osoitetaan selvästi ostetun paketin kuvauksessa, ja CoverPlus-palvelutaso-opas sisältää yhteenvedon olennaisista palveluista.

Epson ei tarjoa palveluita, jos Epson katsoo ongelman johtuvan seuraavista syistä:

- ulkoisesti aiheutettu vaurio
- määrityksistä poikkeava käyttö (tämän ratkaisee tuotteen valmistaja - valmistajan päätös siitä, onko käyttö ollut poikkeavaa, on lopullinen)
- varusteet, osat tai kulutustarvikkeet, jotka eivät ole **EPSON** -merkkisiä tai Epsonin hyväksymiä tai
- muutokset Epsonin toimittaman tuotteen alkuperäiseen kokoonpanoon tai
- ongelmat laiteohjaimessa tai muussa tuotteen mukana toimitetussa ohjelmistossa. Näiden muuttamiseen tai korjaamiseen sovelletaan ohjelmiston mukana toimitettua lisenssiä, eivätkä ne kuulu palvelujen piiriin.
- luvaton tai muun kuin ammattilaisen suorittama korjaus tai korjausyritys
- väärä, kohtuuton tai sopimaton käyttö, tai käyttö haitallisessa tai epänormaalissa ympäristössä
- tuotteen käyttö muun kuin Epsonin laitteiston kanssa tai sovellusohjelmiston kanssa.

## 8. Vaatimukset, joita palvelu ei koske

**EPSON** CoverPlus -palvelua tarjotaan vain tuotetta varten. Jos muu tuote (tai tuote, jonka sarjanumero on poistettu tai väärennetty) esitetään korjattavaksi tai vaihdettavaksi, tai jos vika kuvataan väärin, eikä takuu tosiasiallisesti kata sitä, palvelua ei tarjota, ja Epson veloittaa sinulta kaikki syntyneet kulut. Jos näitä kuluja ei makseta 28 päivän kuluessa, sopimus päättyy, eikä takuu enää koske tuotetta.

## 9. Henkilötiedot

Jotta voisit rekisteröidä Epson Coverplus -palvelun, Epson pyytää sinua antamaan henkilötietoja, kuten etunimi, sukunimi, osoite, sähköpostiosoite ja puhelinnumero (Epsonin tällä hetkellä keräämien tietojen tarkistamiseksi). Nämä tiedot tarvitaan, jotta Epson voi tarjota palvelun näissä ehdoissa esitetyllä tavalla.

Hyväksyntäsi jälkeen Epson saattaa käyttää henkilötietojasi ottaakseen yhteyttä palvelun käyttöön liittyen, tehdä kyselyitä palveluun ja eri tulostintuotteisiin liittyen sekä lähettääkseen Epsonin mainoksia. Epson tarjoaa mahdollisuuden peruuttaa kaupallisten tietojen lähettämisen Epsonilta. Lisätietoja on osoitteessa [www.epson.fi](http://www.epson.fi).

## 10. Epsonin velvollisuudet

Epson korjaa tai vaihtaa tuotteen, jonka vahingoittuminen johtuu suoraan Epsonin tai sen alihankkijan huolimattomasti toteuttamasta palvelusta. Jos muuta omaisuuttasi tuhoutuu Epsonin tai sen alihankkijan huolimattomuuden vuoksi, Epson maksaa enintään 500 000 euroa omaisuuden korjaamisesta tai vaihtamisesta omaisuuteen, joka on samanikäistä, samassa kunnossa ja samojen määritysten mukaista.

Epson hyväksyy vastuunsa henkilövahingosta tai kuolemasta, joka on johtunut Epsonin (tai sen palvelun tarjoamiseen osallistuneiden työntekijöiden tai toimittajien) huolimattomuudesta.

Jos järjestelmäsi tietoja (kohta 5) vahingoittuu suoraan Epsonin toteuttaman huolimattoman palvelun seurauksena, Epson pyrkii palauttamaan tiedot järjestelmään ottamistasi varmuuskopioista (kuten yllä edellytetään) Vaihtoehtoisesti voit palauttaa tiedot itse, jolloin Epson suorittaa siitä kohtuullisen korvauksen. Epson ei vastaa eikä suorita korvausta järjestelmän vahingoittuneesta, vioittuneesta tai kadonneesta sisällöstä, jota ei ole varmuuskopioitu tällaisten vahinkojen, vioittumisen, katoamisen tai varmuuskopioinnin laiminlyönnin aiheuttamien menetysten varalta.

Epson ei vastaa muista vahingoista. Epson ei etenkään ole vastuussa (sopimusrikkomuksena, huolimattomuuden vuoksi tai muulla perusteella) seurannaismenetyksistä tai -vahingoista, Tuotteen tai muiden tuotteiden käytön keskeytymisestä tai menetetyistä myynnistä, voitosta tai myyntitilaisuudesta. Mikäli uskot, että tällaisia menetyksiä voi aiheutua Epsonin epäasianmukaisesti suorittamien palvelujen vuoksi ja vahingoilta suojautuminen on tärkeää, suosittelemme soveltuvan vakuutuksen ottamista tai neuvottelemaan Epsonin kanssa yksilöllisistä ehdoista erityismaksua vastaan.

#### 11. CoverPlus selostetaan näissä ehdoissa

Tämä asiakirja sisältää kaikki sinun ja Epsonin väliset sopimusehdot. Sopimukseen ei sovelleta muita ehtoja tai takuita, mukaan lukien hiljaiset tahdonilmaisut (poikkeuksena pakottavan lainsäädännön sisältämät määräykset). Tarjottava palvelu on kuvattu tässä asiakirjassa. Siitä poikkeavat lupaukset eivät ole sitovia.

**Erityistä:** **EPSON** CoverPlus mainitaan Epsonin ja muiden markkinointi- ja muissa materiaaleissa laajennettuna takuuna tai Epsonin myöntämän kaupallisen takuun laajenuksena. Vaikka tämä on kätevä viittaus niiden kuvaukseen, **EPSON** CoverPlus -sopimus ja sopimuksen mukainen palvelu ovat erillään kaupallisesta takuusta. Voimassaoloaikana tarjottavat palvelut ovat samoja palveluita, joita tarjotaan yleensä lyhyemmän aikaa ilmaisen kaupallisen takuun perusteella. **EPSON** CoverPlus -sopimuksen mukaista palvelua tarjotaan kuitenkin vain tässä asiakirjassa asetettujen ehtojen mukaisesti ilman viittauksia Epsonin tarjoamiin kaupallisiin takuisiin.

#### 12. Tämän sopimuksen luonne

**EPSON** CoverPlus on sinun ja Epsonin välinen sopimus määritettyjen palveluiden tarjoamiseksi silloin, kun tuote ei toimi tai ei toimi sille määritetyllä tavalla. Epson ei tällä sopimuksella sitoudu mihinkään lisävastuuseen tuotteen vioista, joihin kuvattu palvelujen tarjontavelvollisuus ei liity. Tämä sopimus ei ole vakuutuskirja. Tämä sopimus ei ole takuu, vakuutus tai muu lupaus siitä, että tuotteeseen ei tule vikoja, että se vastaa tiettyjä laatuvaatimuksia ja että se toimii jatkuvasti tuotekuvauksensa mukaisesti. Sillä ei laajenneta Tuotteen ostohetkellä saatuja oikeuksia. Tämä sopimus ei vaikuta laillisiin oikeuksiisi tuotteen toimittajaa tai Epsonia kohtaan (perustuvatpa oikeudet Epsonin kaupalliseen takuuseen tai muuhun).

#### 13. Tulkinta ja oikeudenkäyttöalue

Tähän sopimukseen sovelletaan Englannin lakeja lukuun ottamatta niitä maita, joiden pakottavien lakien mukaan sopimukseen on sovellettava kyseisen maan oikeusjärjestelmää. Epson on laatinut tämän asiakirja englanniksi EMEA-alueella käytettäväksi. Asiakirja on käännetty muille kielille ainoastaan käytön helpottamiseksi, eikä se vaikuta englanninkielisen asiakirjan tulkintaan. Englanninkielinen versio ratkaisee tulkintakysymyksissä.

Paikallisten jälleenmyyjien osoitteet ja yhteystiedot löydät osoitteesta [www.epson.fi/support](http://www.epson.fi/support). Valitse oma alueesi sivustossa olevasta maiden luettelosta, niin siirryt paikalliselle tukisivulle.

Käytettävissä olevan palvelun ja palvelutasojen täydelliset kuvaukset löydät CoverPlus-palvelutaso-oppaasta.

# CoverPlus

## Service level guide

### How to use this service

The following tables describe the services offered when a CoverPlus support pack has been purchased.

CoverPlus is the name for all post-sales support options to extend the standard warranty supplied, and to also add extra services like maintenance, installation or upgrade a standard warranty on Epson products. To be able to see what service level and what is included in a customer's CoverPlus, the SKU is created with a system that indicates the duration and type of service the customer has purchased. This is in addition to the description also provided.

Please note not all services described are available in all Epson EMEAR regions. Please refer to your local support teams for more information.

For terms and conditions please refer to your local Epson website or helpdesk who will be able to provide them.

In order to explain we will use a **CoverPlus SKU** number as an example:

**CP03RTBSCC70**

SKU	C	P	0	3	R	T	B	S	C	C	7	0
	CoverPlus		Term description Duration 3 years		Service description by product type Service type delivered				Unique reference			
Digit	1	2	3	4	5	6	7	8	9	10	11	12

# Term description

## Extended warranty duration example

When a CoverPlus is purchased the service provided overrides the standard warranty.

The service applied from Year 1 will be the service described on the pack. When describing the contract length this includes any standard warranty period: for example a 3-year contract length CoverPlus will include in its term the standard warranty year(s) and any extended warranty period to 3 years in total.

**Standard Warranty + Extended warranty = Term indicated on CoverPlus pack.**

All products the CoverPlus is being registered to must be in a working condition and within their product lifetime specified in the product specifications.

In order to explain we will use a **CoverPlus SKU** number as an example:

**CP03RTBSCC70**

SKU	C	P	0	3	R	T	B	S	C	C	7	0
	CoverPlus		Term description Duration 3 years		Service description by product type Service type delivered				Unique reference			
Digit	1	2	3	4	5	6	7	8	9	10	11	12

# Service description

## Service type example

The four characters here describe the type of service being delivered which have specific terms, all of which are explained by using the lookup table on the following pages. For example, RTBS stands for **Return To Base Service** where the customer sends or takes the faulty product into an Epson repair centre and the product is repaired and returned by courier. Other examples are OSSE which stands for **On Site Service Engineer** where a service engineer visits the customer's premises and fixes the product onsite.

There are many other types of service delivered, so please use the following pages based on the product type to get the details of the service level and service delivery type.

In order to explain we will use a **CoverPlus SKU** number as an example:

**CP03RTBScc70**

SKU	C	P	0	3	R	T	B	S	C	C	7	0
	CoverPlus		Term description Duration 3 years		Service description by product type Service type delivered				Unique reference
