EcoTank mono range

Thinking laser? Think again

Save up to 50% on printing in 3 years
compared to mono laser printers¹

EPSON®
EXCEED YOUR VISION

Why choose an EcoTank mono printer?

Save up to 50% on printing in 3 years compared mono laser printers¹

From the start you have enough ink to print up to 11,000 pages³, cutting costs and saving time as you're not frequently changing toner.

Save time and energy

Printing is fast with no warm-up time and print speeds of up to 20ppm⁴. EcoTank mono printers can also save you up to 95% in power consumption compared to mono laser printers⁵, meaning you can cut energy usage and reduce overheads.

Easy to use

EcoTank has a large refillable ink tank that is filled with the included ink bottles. This ink filling system minimises spills with bottles that feature a key-lock design to ensure the tank is filled with the correct ink.

Peace of mind

EcoTank printers provide Epson quality, speed and reliability, giving you true peace of mind backed up by a minimum 1-year/100,000-page warranty, plus a free promotional 3 year warranty extension: www.epson.co.za/printerwarranty

Ideal for small offices and businesses

EcoTank M1100

The most affordable A4 mono single function printer.

EcoTank M1120

Fast A4 single function printer with Wi-Fi Direct®.

EcoTank M1140

Fast A4 single function printer with 250 sheet front-loading paper tray and automatic double-sided printing.

EcoTank M1170

Fast A4 single function printer with Wi-Fi Direct, Ethernet, 250 sheet front-loading paper tray and automatic double-sided printing.

EcoTank M2120

The most affordable A4 mono 3-in-1 printer with Wi-Fi Direct and LCD screen.

EcoTank M2140

Fast A4 mono 3-in-1 printer with LCD screen.

EcoTank M2170

Fast A4 mono 3-in-1 printer with Wi-Fi Direct, Ethernet and LCD screen.

EcoTank M3140

Fast A4 mono 4-in-1 printer with touch screen and automatic document feeder.

EcoTank M3170

Fast A4 mono 4-in-1 printer with Wi-Fi Direct, Ethernet, touch screen and automatic document feeder.

We've changed printing forever

Epson's EcoTank mono printers provide an ultra-low-cost printing solution plus they're reliable and easy to use too.

Ultra-low-cost printing

Thanks to the integrated high-capacity ink tank, ink is supplied continuously to the printer, you simply top up the tank with Epson ink bottles and keep on printing. Not only is it more convenient, they come with up to 11,000 pages' worth of ink included in the box³, so it's much better value too.

Lock and fill system

The ink filling system minimises spills with bottles that are easy to open and have an airflow system so squeezing is not necessary during the filling process.

Integrated printhead

EcoTank printers feature a built-in permanent printhead for hassle-free, reliable printing.

Epson Connect

Print and scan from anywhere

Epson Email Print[®]

Print your photos and documents from anywhere in the world. Simply email your files to your printer's unique email address for automatic printing.

Epson iPrint[®]

Print or scan your photos and documents from your smartphone or tablet. Download and install the free app, and you're ready to print over Wi-Fi. Available for iOS and Android.

Other Mobile Solutions

Wi-Fi Direct

No wires, no router, no fuss. With Wi-Fi Direct there's no need for a permanent internet connection or Wi-Fi network. Simply connect your smartphone, tablet or laptop to your printer's Wi-Fi signal and select your photo or document to print wirelessly.

Apple AirPrint⁷

Print wirelessly from your iOS device to a nearby AirPrint-ready Epson printer.

Google Cloud Print⁸

Print on the go from your smartphone or computer directly from Chrome OS using Google Cloud Print-enabled apps.

Committed to corporate and social responsibility

Epson is committed to developing environmentally conscious products, which means that sustainability is considered from conception to completion. We help customers recognise the environmental gains brought on by technology, whether it is redefining manufacturing through innovative robotics, saving energy with our office printing technology or revolutionising textile printing with digital solutions.

We are committed to all 17 United Nations' sustainable development goals and to the aims of the circular economy. We offer sustainable innovations because we recognise that the choices we make as organisations, individuals or a society will be essential to our shared success.

¹See www.epson.co.za/ecotankmono ²Based on the sales volume data obtained from the IDC WW HCP Tracker (Data Q2 2019). ³Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 24712. Quote yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower. ⁴Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing ⁵Comparison of the power consumption while printing of the Epson M1120, M2170 and M3170 models against the average top selling 75% of A4 monochrome laser printers (below 20ppm class) across Algeria, Israel, Kenya, Morocco, Nigeria, Rest of Africa, Rest of Middle East, Saudi Arabia, South Africa, Tunisia and UAE for the period January - December 2018 as tracked in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q4. Power consumption values as communicated by the manufacturers websites. ⁶Epson iPrint requires a wireless connection and the Epson printing app. Epson Email print and Epson Remote Print Driver require an internet connection.
