and turn

wet

# EH-TW5700 EH-TW5820

From Full HD to 3D, the EH-TW5000 series have all the technology that you need, including Android TV, to enjoy the big screen and ultimate gaming experience in your living room.

Easy set-up, sharp pictures, vivid colours, and fluid movement make it ideal for all your home entertainment, from sports and movies to gaming.

## Key features

- Android TV™ device (Included)
- Full HD 2D & 3D
- High-quality pictures and bright, vibrant images with 2,700 lumens
- High-contrast ratio of up to 70,000:1 for deep blacks plus dark gamma uplift
- Up to 332 inch screen size
- Unique gaming enhancement features
- Horizontal and vertical keystone correction
- Detail Enhancement and frame interpolation
- Bluetooth audio SCMS-T compatible
- Up to 11 years of entertainment with long lasting lamp light source<sup>6</sup>

# Stunning picture quality

## Don't miss out on the detail

4K PRO-UHD<sup>5</sup> is not just a resolution specification. It encompasses all of the factors impacting image performance, including colour and white brightness, contrast, HDR10, colour processing, as well as the capability of receiving, processing and projecting 4K content. As a result images are more lifelike and exceed Full HD resolution.

## HDR

High Dynamic Range gives images more depth and allows you to see incredible detail that's previously not been possible. HDR enriches colours making images feel more natural yet intense and, ultimately, more immersive.

## Lifelike Images

Epson Projectors have up to 3x Brighter Colours than comparable 1-chip DLP<sup>®</sup> projectors<sup>7</sup>. 3LCD technology creates exceptionally bright yet colourful images by producing an equally high White and Colour Light Output. With no rainbow effect, colour wheels or white segments, images are brighter and more true-to-life.

# The ultimate cinematic experience with 4K PRO-UHD

EH-TW7000  
EH-TW7100

Immerse yourself in games, movies and box-set binges thanks to 4K PRO-UHD<sup>5</sup>.

Set-up is easy, with connections for streaming and other devices with two HDMI ports and SCMS-T compatible Bluetooth audio.

You'll get vivid colours and clearly defined shadows from our 3LCD technology and an impressive dynamic contrast ratio up to 100,000:1 on these products.

## Key features

- 4K PRO-UHD<sup>5</sup>, with HDR support
- High-quality vibrant images with 3,000 lumens
- Deep blacks with up to 100,000:1 contrast ratio
- Up to 500 inch screen size
- Built in 10W stereo speakers (EH-TW7100 only)
- Streaming device compatibility
- Bluetooth audio SCMS-T compatible
- Up to 7 years of entertainment with long lasting lamp light source<sup>6</sup>

## Don't miss out on the detail

4K PRO-UHD<sup>5</sup> delivers a bright, amazingly sharp lifelike picture by combining advanced Epson technologies with the ability to accept native 4K content and upscale non-4K content exceeding Full HD resolution.

## EH-TW7400

The EH-TW7400 truly brings the home cinema experience to you. 4K PRO-UHD<sup>5</sup> brings you a new level of finesse to the texture and resolution of the image. Frame interpolation ensures you won't miss a moment, with crisp images in even the fastest action.

### Key features

- 4K PRO-UHD<sup>5</sup>, with HDR support<sup>8</sup>
- High-quality vibrant images with 2,400 lumens
- Deep blacks with up to 200,000:1 contrast ratio
- Up to 300 inch screen size
- Detail enhancement and frame interpolation
- Easy set-up with powered H/V lens shift
- Super resolution in 2D and 3D
- Up to 7 years of entertainment with long lasting lamp light source<sup>6</sup>

## EH-TW9400 EH-TW9400W

The EH-TW9400 is the home cinema projector for those who want seriously engaging home entertainment. The large scale projection (up to 300 inches) is picture perfect with 4K PRO-UHD<sup>5</sup>, a 2,600lm display and incredible high-contrast ratios for exceptional colour.

Add frame interpolation and noise cancelling technology and you won't just be watching movies, you'll be experiencing them.

### Key features (in addition to EH-TW7400)

- Supports 10-bit 60Hz HDR
- High-quality vibrant images with 2,600 lumens
- Deep blacks with up to 1,200,000:1 contrast ratio
- ISF certified colour management
- Wireless HD (EH-TW9400W only)<sup>9</sup>

Enjoy the big  
screen experience  
at home

## EH-TW740 EH-TW750

The EH-TW740 and EH-TW750 are ideal for movies, casual gaming and much more. These Full HD projectors are packed with a range of essential features. They are simple to set up and easy to move around making them great for all the family to enjoy.

### Key features

- Full HD
- Clear and bright picture up to 3,500 lumens
- Deep blacks with up to 16,000:1 contrast ratio
- Up to 386 inch screen size
- Automatic keystone image correction
- Built in Miracast (EH-TW750 only)
- Up to 18 years of entertainment with long lasting lamp light source<sup>6</sup>

## EB-FH06

Perfect for supersized content at home or in the office, the EB-FH06 is designed for easy installation. With long lamp light source, you can enjoy 18 years worth of entertainment<sup>6</sup>. It's 3,500 lumens combined with Full HD and 3LCD technology deliver a clear and bright picture.

### Key features

- Full HD
- Clear and bright picture up to 3,500 lumens
- Deep blacks with up to 16,000:1 contrast ratio
- Up to 332 inch screen size
- Automatic keystone image correction
- Up to 18 years of entertainment with long lasting lamp light source<sup>6</sup>
