¹ Initial telephone contact by Epson support or contracted partner

² Working days (subject to parts availability) – cut off time 3pm

³ Response times are a target Epson works to, not a guarantee of service

CoverPlus Self Repair Key Benefits

Coverplus Self Repair offers users replaceable printheads, maximising production time for busy print environments.

Upon successful registration of CoverPlus and Epson Cloud Solution PORT, one printhead kit (printhead and gloves) will be supplied at the beginning of the contract.

The service includes access to Epson Cloud Solution PORT and Epson Remote Managed Service which allows Epson engineers to remotely monitor the health of your printer

In addition to the service supplied by the technicians, there are a number of additional end user periodic maintenance and cleaning requirements that need to be performed to keep your Epson product performing to specification. Below is a list of maintenance, cleaning items and options available for the SC-R5010/R5010L products which you can order from your reseller.

SC-R5010 Series Consumables and Options	Part Number
Cleaning stick (50 pcs)	C13S090013
Waste ink bottle	C13S210071
Wiper unit	C13S210100
Maintenance kit	C13S210103
