

# Solutions for EcoTank and WorkForce series

# Business printing solutions

Discover how Epson and its partner solutions take advantage of our printers to meet the needs of businesses from SMBs to large enterprises, and can be adapted to suit vertical market needs.

## Fleet management

### **Epson Device Admin (EDA)**

Control, analyse and manage your printer fleet centrally from one intuitive interface, designed to increase productivity, reduce costs and ensure maximum security.

## Remote Service and Support

### **Epson Remote Services (ERS)**

Epson's cloud-based device monitoring and management system helps your service provider to perform accurate remote diagnosis without compromising on the security. Arm service technicians with the information they need to achieve higher first fix rates and increase your device uptime.

### **ERS embedded agent**

Benefit from the added value of ERS in combination with the embedded agent for a seamless setup and use.

## Epson Smart Panel

### **Epson Smart Panel**

Innovative app to easily manage select Epson® printers and scanners.

## Workflow and security

### **Epson Print Admin (EPA)**

Boost productivity and monitor print usage via a server-based solution that creates a secure printing, scanning and copying environment through user-authentication.

### **Document Capture Pro (DCP)**

Scan, save and share information easily. Advanced features for naming, separating and routing documents makes scanning simple and logical.

## Mobile and Cloud printing/scanning

### Epson Connect

Turn your tablet or smartphone into a powerful office assistant. Epson's mobile and cloud printing services allow you to print and scan from your smartphone and tablet - in the office and on the go.

### Epson iPrint

Print to an Epson printer from practically anywhere and any time using your smartphone or tablet PC - Epson iPrint makes it really easy. Just download and install this great free app and you're ready to print web pages, Microsoft Office documents, photos and PDFs, as well as scan and copy.

### Epson Email Print

Print from any device such as phone, tablet or laptop, anywhere in the world, by simply sending an email across the internet to the printer.

### Epson Scan to Cloud

Scan documents directly to email addresses or cloud storage accounts (SharePoint Online, OneDrive for Business, Google Drive, Dropbox, Box and Evernote)

### Epson Remote Print

Advanced printing from anywhere using your computer.

## Third party integration

### Epson Open Platform (EOP)

Gain complete control of your printing operations via a web-based application that enables you to adapt your printer to meet specific and changing business requirements with solutions that help you better manage your printing.
