

SureColor SC-F2000

# VERSATILE DIRECT TO GARMENT PRINTING

**EPSON**  
EXCEED YOUR VISION

# COST EFFECTIVE

---

In a direct to garment solution, we provide everything you need to produce t-shirts quickly, easily and very competitively.

# HIGH PRODUCTIVITY

---

In its fastest print mode - dual CMYK - the printer can produce a t-shirt in 27 seconds<sup>1</sup>. High-volume 600ml ink cartridges allow you to print for longer.

# HIGH PERFORMANCE RESULTS FAST

The SureColor SC-F2000 is the perfect t-shirt printing solution to upgrade your existing equipment, complement your infrastructure with a digital DTG printer, or if you are starting a t-shirt printing business.

SureColor SC-F2000

## SUPERB QUALITY

The 1440×1440dpi resolution of Epson's Micro Piezo TFP printhead and UltraChrome DG inks with white, deliver a wide colour gamut and smooth colour gradations.

## Profit from the latest in high-speed, top quality t-shirt printing technology

Entirely designed and built by Epson, the printer delivers maximum quality, superb productivity, ultimate flexibility and total reliability - complete with low running and maintenance costs. Print directly onto material made of 100% cotton<sup>2</sup> or blended materials with a minimum of 50% cotton<sup>2</sup>.

■ Dual CMYK colour mode<sup>6</sup> ■ 4 colour – Colour ink mode ■ 5 colour – White ink mode

## Ease of use

The printer is easy to set up and operate. The height-adjustable platen is designed for fast, straightforward loading.

## Easy maintenance

The pump circulates the white ink to prevent the printhead from clogging

## White ink circulation

The automatic printhead cleaning and white ink circulation system allows for excellent and consistent print output every time.

## Various platens available

Multiple platens are available to suit all garment printing.

## Garment Creator software

The software has a simple, intuitive user interface. It allows the user to save predefined colour management and layout control settings, making it easy to deliver consistent results.

When printing on dark t-shirts using white ink, the software automatically generates a white under layer.

## Key features

- Cost estimate: approximate printing cost and ink.
- White preview mode
- Job history and re-print
- Printer status and maintenance functions
- Export files for USB direct print
- Editing functions such as scale, rotate and flip
- Colour replacement with white, spot or transparency

# DESIGNED AND BUILT BY EPSON

Monitor the output through the transparent cover

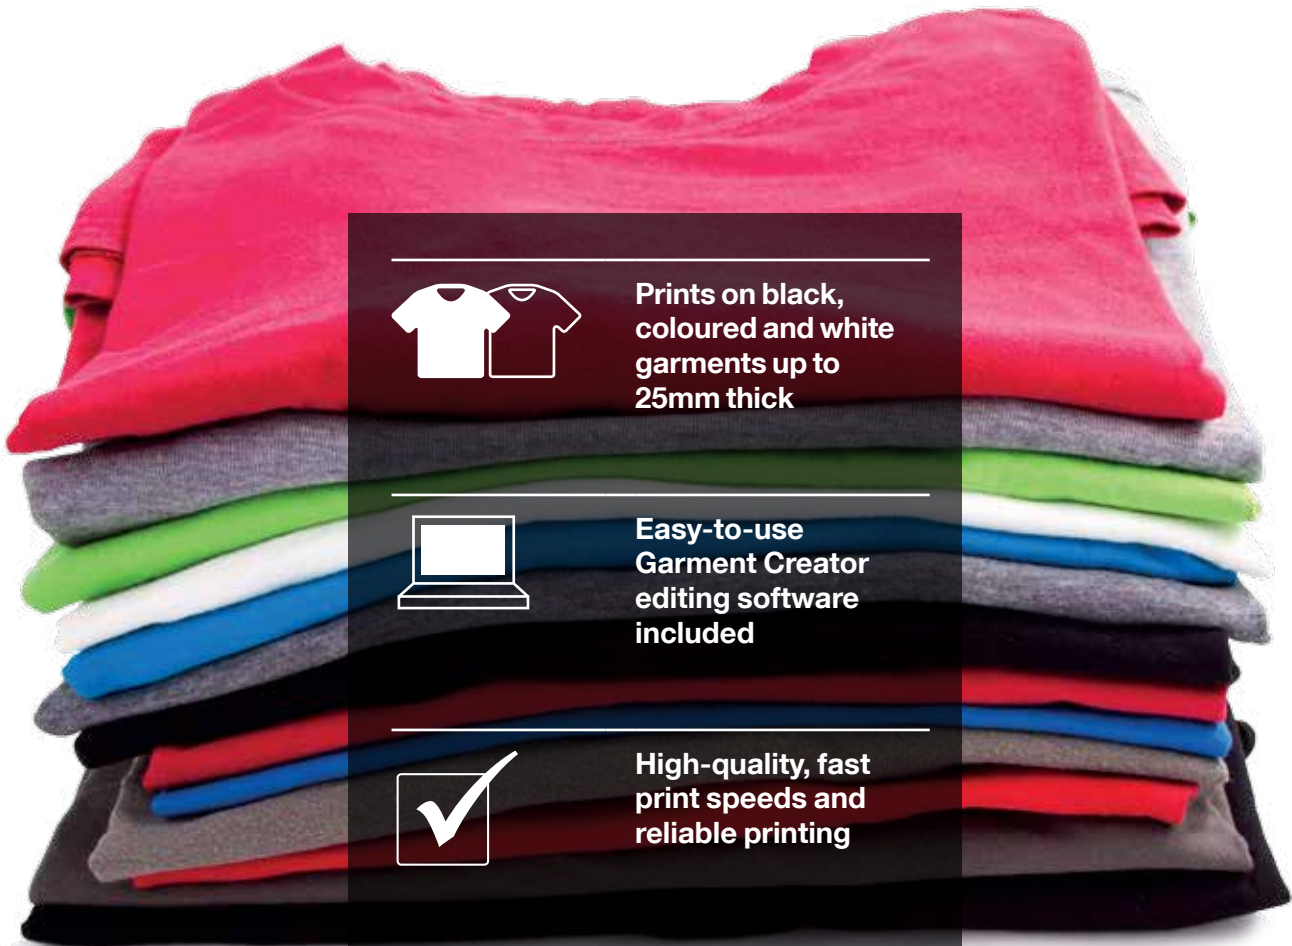

Full colour LCD for front operation

Prints a wide range of textiles up to 25mm thick on a choice of platen sizes

USB slot prints repeat order jobs directly

Our white ink circulation system and automatic printhead cleaning means you can print high-opacity white at any time, without printhead nozzle blockage or quality variations

Prints on black, coloured and white garments up to 25mm thick

Easy-to-use Garment Creator editing software included

High-quality, fast print speeds and reliable printing

## Product specifications

<b>Printhead</b>	<b>Type</b>	Epson Micro Piezo advanced TFP	
<b>Print speed<sup>6</sup></b>	<b>Dual CMYK colour mode</b>	27sec (default - production)	
	<b>Single CMYK colour mode</b>	50sec (default - high speed), 104sec (high-quality)	
	<b>CMYK + white mode</b>	88sec (low white ink density), 171sec (high white ink density), 111sec (default)	
<b>Max. resolution</b>	Colour 1440 × 720dpi, white 1440 × 1440dpi		
<b>Droplet size</b>	21pl (Standard size)		
<b>Ink type</b>	<b>Ink cartridge capacity</b>	UltraChrome DG ink	600ml
<b>Media</b>	100% cotton <sup>2</sup> or blended materials with a minimum of 50% cotton <sup>2</sup>		
<b>Connectivity</b>	<b>Rear</b>	USB2.0, 100-BaseTX	
	<b>Front</b>	USB memory slot (USB2.0)	
<b>Power supply</b>	AC 100-240V 50/60Hz		
<b>Supported OS</b>	<b>Garment plugin</b>	Windows <sup>®</sup> XP-32bit, Windows <sup>®</sup> 7-64bit, Mac OS 10.6 or higher	
	<b>Adobe<sup>®</sup> plugin</b>	Plugin available for Adobe Photoshop <sup>®</sup> and Illustrator <sup>®</sup>	
<b>Dimension</b>	<b>WxDxH</b>	<b>Weight</b>	985 × 1,425 × 490mm / Approx. 82kg
<b>Platen</b>	Medium platen 356 x 406mm standard		
<b>Warranty<sup>7</sup></b>	- 1 year on site service - Cover + 3 Years on site extended warranty (Standard + 2) - Excluding printhead - Including printhead (max one per year)		

## Ink and consumables

UltraChrome DG Cyan (600ml)	C13T725200
