

EcoTank printer range

# Cartridge-free printing

Up to 3 years of  
ink included<sup>1</sup>

**EPSON**<sup>®</sup>  
EXCEED YOUR VISION

# Reliable printing from start to finish

Epson EcoTank printers deliver superb quality, hassle-free printing at an ultra-low cost. The perfect solution for busy homes and small offices, EcoTank printers come with ultra-high capacity refillable ink tanks allowing you to print thousands of pages without the hassle of replacement ink cartridges.

## Up to 3 years of ink included<sup>1</sup>

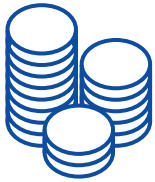

Eliminate unexpected costs and take the hassle out of printing with up to 14,000 pages worth of ink included in the box, the equivalent to 94 cartridges on average<sup>2</sup>.

## Ultra-low cost printing

EcoTank printers deliver an unbeatable cost per page, helping to reduce printing costs by 74% on average<sup>2</sup>. This makes them the perfect high-yield solution for home and office printing.

74%

## Peace of mind

EcoTank printers provide Epson quality, speed and reliability, giving you true peace of mind backed up by a minimum 1 year/30,000 pages warranty, plus a free promotional 3 year warranty extension<sup>3</sup>.

20 million  
EcoTank printers  
sold worldwide<sup>4</sup>

### New EcoTanks

Discover the new generation of EcoTank, incorporating a number of enhancements that make them even more user-friendly and attractive to use. The new ink filling system minimises spills with enhanced bottles that are easier to open and have an airflow system so squeezing is not necessary during the filling process. The new bottles also feature a key-lock design that ensures each tank is filled with the right colour.

### Easy-to-use

Enjoying hassle-free printing is as easy as 1-2-3.

1. Fill the ink tanks
2. Set-up the printer
3. Print

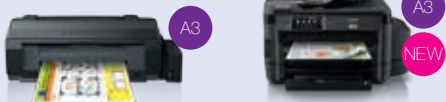

After printing thousands of pages simply top up the tanks with the affordable and high capacity ink bottles and continue printing.

# EcoTank series

Choose your ideal model from the Epson EcoTank range to suit your printing needs and enjoy thousands of low-cost, hassle-free prints.

For use with the ET-7700 and ET-7750

<sup>1</sup>Based on an average print volume of 140 pages per month and considering the lowest yield produced from the first set of inks. <sup>2</sup>Average number of cartridges/savings for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Western Europe, in the period April 2016 – March 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites. <sup>3</sup>For warranty details please check the product page on your local Epson website. 3 years warranty available upon registration. <sup>4</sup>Epson high-capacity ink tank printers have achieved cumulative global sales of 20 million units, since launch in 2010.
