Epson Ink Tank System Printer Range

Home printers
Ideal for ultra-low cost home printing, this range offers high volume printing without the need for ink cartridges. The 3-in-1 L220 also offers scanning and copying ideal for families with school children and students. With an integrated ink tank and 70ml ink bottles for easy refilling, ITS home printers provide high quality, hassle-free every day ultra-low-cost printing. They come with enough ink to print up to 12,000 pages in black and 6,500 pages in colour[1].

Office printers
Ideal for small to medium workgroups, Epson's range of office colour and mono ITS printers can save users up to 90% on the cost of everyday printing[2]. Single-function and all-in-one ITS printers come with enough ink to print up to 12,000 pages in black and 6,500 pages in colour[1]. With an integrated ink tank and a 140ml ink bottle for easy refilling, the WorkForce M Series mono printers deliver business quality printing at an ultra-low-cost.

Photo printers
Ideal for photo printing, ITS photo printers come with enough ink to print up to approximately 1,800 10×15 cm photos[3]. With an integrated ink tank and 70ml ink bottles for easy refilling, ITS photo printers deliver high-quality, 6-colour photo printing at an ultra-low-cost. The L800, L810 and the L850 also allow you to print directly onto printable CD/DVDs.
